Specifications

- Frame and Legs: Steel frame perimeter with 2" ergonomic edge, legs with adjustable glides, with powder coat finish.
- Top: Laminate on ½" MDF.
- Dock Shelves: Attaches to the glass screen, holds tablets and smart phones for viewing and charging. Dock shelves slide side-to-side for bookends. Steel with powder coat finish same as frame.
- Dock Plates: Provides access to the wire management tray, for power, USB and charging. Steel with powder coat finish same as frame.
- Wire Management Tray: Under surface mount, hinged cable tray is adjustable for different capacities.
- Wire Channel: Clips to the leg to conceal the power feed.
- Screen: Tempered glass ¼" x 6" h. White frame with white frosted, low iron glass. Black frame with grey tinted glass.
- Drawer: Steel construction, concealed inside the hollow space under the work surface and disappears entirely when closed. Finish: black or white
- Highlander Stand-Up work surface: Laminate work surface for work in standing position. Adjusts in height, 41½" to 47½". Attaches without hardware, and can be moved to any desired position on the front edge of desk. Highlander's work surface can be rotated 90 degrees to free up space and add privacy when not in use. Steel with powder coat finish, black or white.
