Peter Pepper had a vision: accessories designed to enliven the work environment and assist employees to be more productive. In 1952 that vision became a reality. • The mandate was clear: the strength of this vision must start by demanding the highest caliber of design, producing an inspired product line offering unparalleled selection. • Peter Pepper Products has consistently delivered high quality products, identifying real solutions and meeting the price specifications of your most complex problems, yet never compromising the integrity of the design. • But Peter Pepper's vision was also one of responsiveness and synergy. Establishing relationships based on partnership and performance, Peter Pepper initiated a new standard of attention to the client relationship, defining customer service as customer commitment. • At Peter Pepper Products, we will continue to strive to maintain the spirit of Peter Pepper's original vision. • Design and Performance, diversity and practicality. Vision is fact. Peter Pepper Products.

Peter Pepper Products has made environmental awareness a vital part of our business. • Our mission is to meet our customers' expectations for high design, high-quality, durable products, which helps them meet their sustainable goals. • Peter Pepper Products is committed to working towards and promoting buildings that are environmentally responsible, profitable and healthy places to live and work, while maintaining our responsibility to preserve our natural resources.

VISUAL COMMUNICATION PRODUCTS

Whether putting together a presentation, teaching a seminar or training a management team, the Visual Communication Collection is designed specifically to meet your needs, and bring a whole new level of ease, attractiveness and convenience to the world of corporate, educational and healthcare environments. From glass enclosed bulletin boards to writing surfaces, tack and combination boards, track systems, conference centers and directories, Peter Pepper Products provides the elements that can turn an average presentation into a standout event.

MESSAGE CENTER
Health and healing | Corporate

MC - Mahogany, PPP color aluminum metallic trim, clock face 14.
Size: 24w x 45h x 4d

Corporate and Healthcare

Improve communications in healthcare and corporate environments with the Message Center. By integrating a glass writing surface, analog clock, and pen/eraser storage, the message center reduces clutter while using a minimal amount of wall space. Clear glass in front of the clock allows staff to communicate relevant schedules, while the lower portion's white safety glass is ideal for other messages. A versatile retainer displays cards and personal items. Choice of PPP colors, wood and laminate finishes, including all PPP clock faces.

Custom graphics and configurations are available.

parallel

Corporate

Parallel is an ideal solution for corporate facilities and individual offices. Select just the elements you need from glass writing surfaces, tack boards, mirrors, clocks, coat hooks, utility shelves and file or magazine pockets.

Parallel mounts horizontally or vertically to add that extra 'off the desk' organization. Finished in natural anodized aluminum.

H4816-2N, COM tack panel 16w x 16h, glass writing surface 32w x 16h, triple hook and shelf. 48w x 18½h

Healthcare

Parallel enhances the overall convenience and comfort of patients, caregivers and visitors with a modular system of products that support what people do everyday: personal communication, display and storage.

Manufactured with sustainable materials that advance our commitment to create healthy environments.

H4816-2N, fabric tack panel 16w x 16h, glass writing surface 32w x 16h, hooks, shelf and chart/magazine pocket.
