TACTICS® Communication Boards

• Available in 1 or 2 panel configurations with porcelain enamel dry erase Writing Surface, Fabric, COM, ColorCork or Natural Cork tackable panels.
• Writing Surface: White porcelain enamel writing surface consists of a specially formulated glass substance fused to 28 gauge steel. A porcelain enamel color cover-coat is applied to the ground-coat, then fused with a second firing operation to provide a glass hard, smooth surface that is non-porous, non-absorbent and acid resistant.
• The TACTICS® writing surface can be used for projection presentations and will accept magnetic accessories.
• Pen Rail (12” aluminum, magnetic attachment), 4 markers and eraser included with each board.
• Natural Cork Tackboard: Natural cork laminated to ½” thick fiberboard.
• ColorCork: Washable, tackable surface which reseals itself after pins are removed. Ideal for clean room environments.
For ColorCork specifications, see page 198.

The 2 level track allows interchangeable components to be arranged in any combination on level 1 or 2. By-passing panels nearly double the capacity of your visual presentations.

Level '0' panels may be wall mounted directly under track.

Level 1 & level 2 hangers may be positioned for reversing any panel or mounting any panel across the corner.

Wall track may also be recessed into the wall surface. (Models 7700 & 7701 Only)

The lower roller adjusts to glide smoothly over wall surface.

ColorCork Specifications
- ColorCork is made from pure, granulated cork and natural ingredients that are combined under heat and pressure to create a smooth, suede-like surface of exceptional durability.
- ColorCork is washable, tackable and reseals itself after push-pins are removed. The cork naturally inhibits bacterial growth and is environmentally friendly with no toxins or harmful by-products or emissions.
- The ColorCork surface does not crack, peel or crumble and has low light reflectance.
- Meets ASTM E-84, class B and NFPA 253, Class II.

Samples available on request via Forbo Linoleum, Inc., 800-842-7839 x 712.
